## PRAKATA

---

---

Puji syukur ke hadirat Tuhan Yang Maha Esa atas segala rahmat dan karunia-Nya, sehingga penulis dapat menyelesaikan buku ini yang berjudul “Antara Perang dan Perdamaian: Evolusi Keamanan Internasional”. Buku ini disusun sebagai upaya untuk memberikan pemahaman yang komprehensif mengenai dinamika, teori, serta praktik keamanan dalam konteks hubungan internasional yang senantiasa berkembang secara cepat dan kompleks.

Studi keamanan internasional merupakan salah satu bidang kajian utama dalam ilmu Hubungan Internasional yang memiliki relevansi tinggi terhadap realitas politik global. Dalam beberapa dekade terakhir, konsep keamanan telah mengalami transformasi yang signifikan. Jika pada masa Perang Dingin keamanan dipahami secara sempit dalam kerangka militer dan pertahanan negara, maka pada era kontemporer makna keamanan telah meluas mencakup dimensi ekonomi, lingkungan, energi, siber, kesehatan global, hingga keamanan manusia. Perubahan paradigma ini menjadi landasan penting bagi penulis dalam merancang struktur dan substansi buku ini.

Penulis menyadari bahwa penyusunan buku ini masih jauh dari sempurna. Oleh karena itu, kritik dan saran yang konstruktif sangat diharapkan demi penyempurnaan karya ini di masa mendatang. Semoga buku ini dapat menjadi referensi akademik yang bermanfaat bagi mahasiswa, dosen, peneliti, serta praktisi yang menaruh perhatian terhadap isu-isu keamanan internasional, baik dari perspektif teoretis maupun praktis.

Akhirnya, penulis mengucapkan terima kasih kepada semua pihak yang telah memberikan dukungan, dorongan, dan kontribusi dalam proses penyusunan buku ini. Semoga karya sederhana ini dapat memberikan manfaat bagi pengembangan ilmu pengetahuan dan menjadi kontribusi kecil bagi pemahaman keamanan global yang lebih adil, damai, dan berkelanjutan.
